NOTICE TO ALL PARTICIPANTS

March 2002

To All Northern Illinois Benefit Fund (Health and Welfare) Participants:

CAREMARK PRESCRIPTION DRUG MAIL ORDER SERVICE PROGRAM

The Board of Trustees is pleased to inform you that effective April 1, 2002 the Caremark Mail Order Facility that you use for maintenance prescriptions, will be changed from San Antonio, Texas to Mt. Prospect, Illinois. We believe this will result in more timely mail order shipments to the participants covered under the Plan. Enclosed is a new Patient Profile / Order Form with the Mt. Prospect address preprinted on the form. For new prescriptions or if you are new to the mail order service, simply mail your original prescriptions, along with the new Patient Profile / Order Form and your medications will be sent directly to your home. Caremark will honor your existing refills on file, so you will not be required to obtain a new prescription and you can continue to use the refill-by-phone (1-800-213-0879) and Caremark.com options without disruption of service. If you have recently mailed a prescription to the San Antonio facility prior to April 1, 2002, it will be processed and there is no need to complete a new Patient Profile / Order Form for that prescription. Please note the new address:

Caremark
P.O. Box 7624
Mt. Prospect, IL 60056-7624

If you order prescriptions on or after April 1, 2002, please use this new form with the Mt. Prospect address. When you receive your prescription from Caremark, they will enclose another order form for your next order. If you have any questions, please feel free to contact Caremark Customer Service at 1-800-841-5550.

NORTHERN ILLINOIS BENEFIT FUND SUMMARY ANNUAL REPORT
